COMPANY PROFILE

Nel 1895 la famiglia Gatti fonda la prima falegnameria per realizzare i componenti per la casa. Nell'arco di tre generazioni l'attività si specializza nella produzione e nella progettazione dell'arredo. Nel 1998 i fratelli Gatti decidono di tradurre la cultura, la tradizione, i valori della sua famiglia e del territorio in un brand: *Villevenete*®. L'attività si specializza negli imbottiti, in particolare, divani, letti, poltrone e ogni altro accessorio. Inizia un percorso di sviluppo internazionale per arrivare oggi ad avere un'incidenza dell'export pari al 50% del fatturato. L'azienda italiana, oggi leader nel settore arredo, viene riconosciuta da subito per l'alta professionalità e la qualità dei suoi prodotti, tutti rigorosamente made in Italy.

Founded in 1895, Gatti started the production of furniture as a family business. In over three generations, their activity focused on interior and furnishing design. In 1998 the Gatti's family decided to translate the culture, tradition and the values of the family and the territory into a brand: *Villevenete*®. Its activity is characterized by a successful production of furniture, especially sofas, beds and armchairs. The company starts a path of international development. Nowadays, the export represents the 50% of the whole production. The Italian company, leader in the furniture industry, has been immediately recognized for the high expertise and quality of its products, strictly made in Italy.

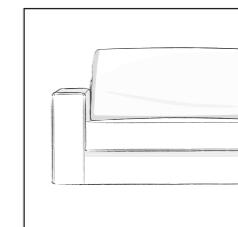

Villevenete valorizza la tradizione e l'esperienza della tappezzeria veneziana, interpretando un nuovo modo di vivere il living quotidiano. Gli imbottiti di tutte le collezioni Villevenete sono costruiti utilizzando i materiali e le tecniche di lavorazione tipiche della più alta tradizione artigianale. Legno, canapa, juta, piume, cotone, tutti materiali tradizionali utilizzati però in un'ottica contemporanea, che riescono a trasmettere quell'inconfondibile sensazione di armonia che solo le cose fatte con passione sanno dare. Tutti gli imbottiti delle collezioni, completamente sfoderabili. Qualsiasi esigenza personale può venir soddisfatta dall'ampia gamma di tessuti pregiati e innovativi.

Villevenete exalts the experience and traditional knowhow of Venetian tapestry, changing the perception of everyday living. The collection is defined by its traditional materials such as selected wood, steel, goose feather, jute and wool. Covers are removable and maintenance is easy. Each cover is made of exquisite and natural textures. Our models have a fully removable cover made of organic textile treated with the best techniques. We offer the possibility to customize products by providing a wide choice of textures and raw materials.

LIFESTYLE

La collezione si sviluppa in una serie articolata di forme attuali che non disdegna un richiamo alla tradizione degli imbottiti di alta gamma. Linee essenziali che inseguono un equilibrio estetico ma che sottendono la precisa volontà di fornire sedute che garantiscono un totale relax. Poltrone, divani di varie lunghezze per soddisfare ogni esigenza compositiva, ma anche elementi componibili come angolari e meridienne che assicurano soluzioni formali di grande attualità. Completano la collezione una ricca gamma di cuscini e pouff.

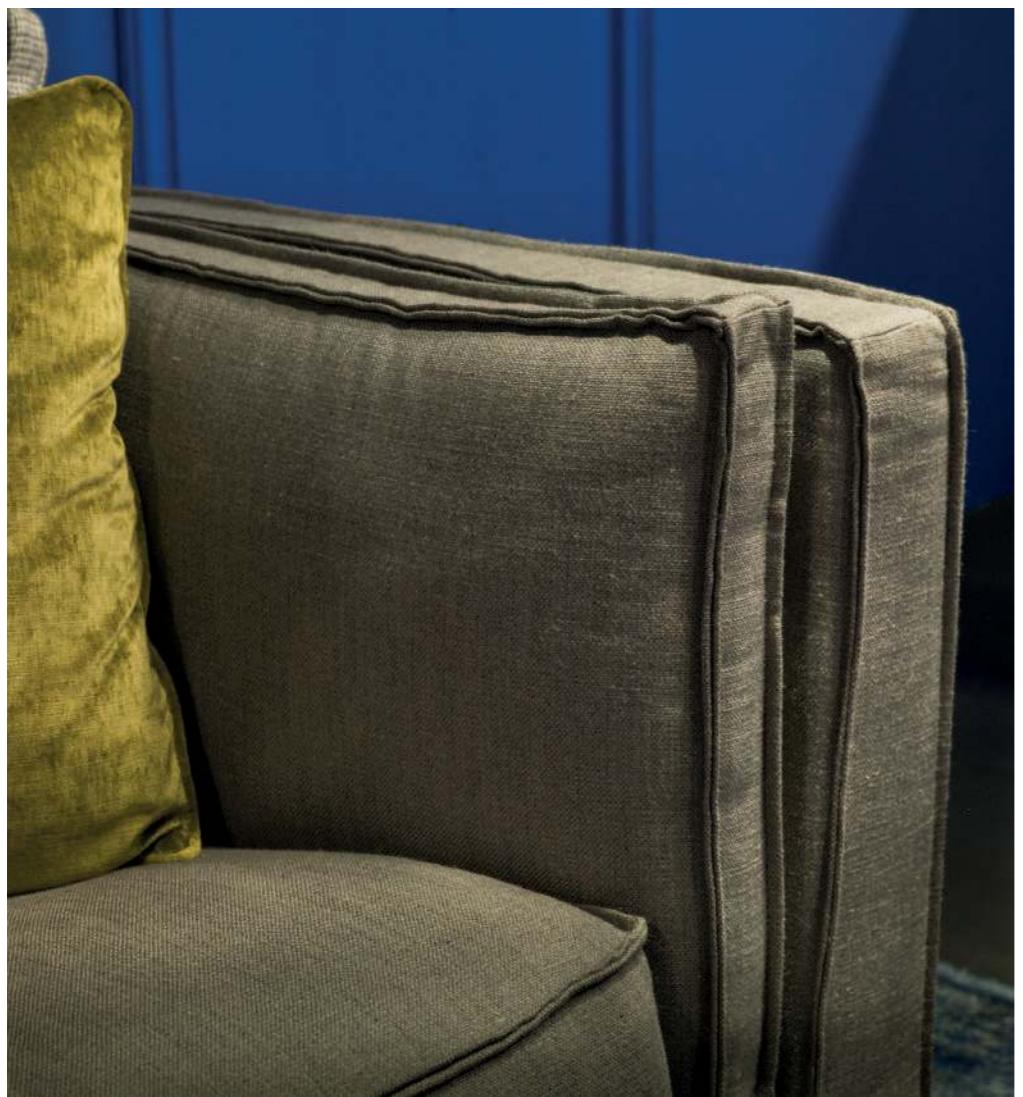

The collection develops into a complex series of forms that appeal to tradition of high-end upholstered furniture. Clean lines that follow an aesthetic balance, with the precise underlying willingness to provide seats that ensure total relaxation. Armchairs, sofas of various lengths to suit every requirement of composition, but also various elements such as corner and meridienne that provide highly relevant formal solutions fitting the present-day.

The collection also includes a wide range of pillows and ottoman.
